

Advantages of Working with the Device Evaluation Program

Unbiased evaluations

For 50 years, ECRI, a nonprofit organization, has been dedicated to bringing the discipline of applied scientific research to discover which medical procedures, devices, drugs, and processes are best, all to enable you to improve patient care

Thorough review

Tested in our respected in-house laboratory by a team of medical device experts

Market exposure

5,000+ members and clients including hospitals, health systems, public and private payers, U.S. federal and state government agencies, health clinics, patients, policymakers, ministries of health, associations, and accrediting agencies worldwide, all of whom can view your product evaluation

Free publicity

We do not charge manufacturers for product evaluations
